

BIGHORN

GOLGO **CRUISE** **EV**

**YOUR DAY.
ANY DESTINATION.**

BUILT FOR COMFORT.

Independent MacPherson Strut Suspension: Advanced front and rear suspension delivers a smooth, controlled ride with exceptional comfort over neighborhood streets, campground roads, and uneven terrain.

Lithium-Ion Battery System: Long-lasting electric performance backed by a 10-year limited battery warranty provides dependable, low-maintenance driving with confidence for years to come.

10-Inch Touchscreen Display: Integrated Apple CarPlay®, Android Auto™, and Bluetooth® connectivity keep navigation, music, and communication within easy reach on every ride.

ENGINEERED FOR MODERN CONVENIENCE.

Rear-view Camera: Provides added visibility when reversing, making parking and maneuvering in tight spaces easier and more confident.

NFC Key-less Ignition: Convenient tap-to-start technology eliminates traditional keys while providing quick, effortless vehicle access without searching through your golf bag.

Premium Diamond-Stitched Seating: Water-resistant seating for four combines lasting durability with elevated comfort, making every trip more enjoyable.
